HELPING OTHERS SUCCEED

THANK YOU FOR YOUR INTEREST IN PRO ATHLETES GROUP!

By receiving this information packet, **You Are Invited** to join Pro Athletes Group as a Referral Partner and benefit from this tremendous program. There is absolutely NO COST for you to become involved, and you can benefit greatly!

As a former NFL player, I am pleased to lead this organization. I look forward to working with you and other professional athletes every step of the way.

Our commitment is to create a national group of former and current professional athletes, from all major sports whom we can empower to “*Help Others Succeed*”. We are confident that you can provide endless help to others, and as a Referral Partner you will have the opportunity to create a significant recurring monthly income for you and your family. This is accomplished by simply referring the businesses and organizations you already know to utilize our services.

The Program is simple, because we are focused on two things:

- We **Help** businesses save money
- We **Help** non-profit organizations raise money

All that you will focus on doing is to leverage your professional athlete background and simply refer businesses and non-profits into our program through some creative marketing tools that we have in place. This is a simple program from which I know ALL athletes can thrive!

I look forward to sharing more about Pro Athletes Group and this Win-Win Opportunity!

Please complete and return the information in this packet at your earliest convenience.

We look forward to having YOU as part of our Pro Athletes Group TEAM!!

Sincerely,

GARY REASONS
